### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: In the Appeal Brief filed 5/17/04, the applicant has put forth the argument, see page 8, lines 8-23, with respect to claim 21 which have been fully considered and are persuasive. As applicant correctly points out, the Windecker reference discloses modifying an existing liner, as opposed to an existing pressure cylinder as claimed. Consequently, The rejection of claim 21 has been withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
